Phone: (717) 989-3931 | Email: [gallagherj0913@gmail.com](mailto:gallagherj0913@gmail.com) | Boulder, CO, 80304  
LinkedIn: [/JohnGallagher](#) | Portfolio: [JohnGallagher.github.com](http://JohnGallagher.github.com) | GitHub: [/JohnGallagher](#)

Full-stack web developer. Received a certificate in Full Stack Web Development from the University of Denver. Self-driven, motivated learner, yet also excel in a team oriented environment. Interested in back end development, but proficient across the full stack.

## TECHNICAL SKILLS

**Languages:** JavaScript ES6+, CSS3, HTML5, SQL

**Applications:** GitHub, Heroku, Insomnia, MongoDB Compass

**Tools:** Node, jQuery, Bootstrap, MongoDB, Express, MySQL, Sequelize, React

## PROJECTS

### "Kintsugi" - E-Commerce | [/Kintsugi](#) | [Github](#)

- Summary: E-Commerce site based on the Japanese idea of Kintsugi. People can buy and sell broken items for the purpose of repairing/restoring them.
- Role: Back-end developer, also contributed to front-end to help the team
- Tools: MERN stack, GraphQL, Apollo Server

### Book Search Engine | [/Book-Search-Engine](#) | [Github](#)

- Summary: Book search engine that allows the user to create an account, login/logout, search for books and save them to a list.
- Role: Back-end developer, refactored RESTful API into a GraphQL API built with Apollo Server.
- Tools: MERN stack, GraphQL, Apollo Server

### Daily Planner App | [/Daily-Planner-App](#) | [Github](#)

- Summary: Allows the user to input an event into a specific time slot (9am-5pm). The time slots display as green for the future, grey for a past time, and red for a current time.
- Role: Sole author
- Tools: HTML, CSS, Javascript, jQuery

## EXPERIENCE

### Dark Horse Bar: Manager and Bartender

2015-Present

Started as a cook with no prior experience. Progressed over time until able to manage the kitchen, which led to a promotion to bartender. As bartender, learned to efficiently sell drinks and maintain customer relations. After gaining experience as a bartender,

was promoted to manager. Learned how to better manage staff, which included anticipating any needs or potential problems before it affected sales. Manage nights where sales can exceed \$25,000. Sales on an average day range from \$8,000 - \$12,000.

## **EDUCATION**

**University of Denver**, Denver, CO

Full Stack Web Development Certificate, 8/2021 - 2/26/2022

**Dickinson College**, Carlisle, PA

Bachelor of Arts, graduated May 2013

Major: Economics

Cumulative GPA: 3.93/4.0, Major GPA: 3.97/4.0
